Recognized as one of the top 10 youth development academy programs in the country by U.S. Soccer, the Revolution Academy’s objective is to develop elite, well-rounded soccer players. The Residential Academy allows elite players an opportunity to participate in a unique training experience where they live, train and play like a New England Revolution Academy player. The 2017 Residential Academy is held at Dean College in Franklin, Massachusetts and for boys (ages 10 to 17).

2017 COACHING STAFF
The team of coaches, led by the Revolution Academy Youth Team and Senior RDS Staff, creates an environment that is challenging, competitive, professional and fun. The Academy Coaching staff provides a detailed insight into the Academy program and the journey towards becoming an elite player.

STATE OF THE ART ACCOMMODATION
All players will be housed in the air conditioned Horne and Mitchell dormitories at Dean College. All players will be under the supervision of the Revolution Academy and Dean College Coaching Staff, who stay in the dorms on the same level as the players.

IMPORTANT — Attendees must bring the following linens:
- Twin-sized sheets, pillow(s) and towels

FACILITIES
All field sessions will take place at the Longley Field soccer complex and the Brand New Grant Turf Field. All meals on campus will be at the Campus Dining Center.

SPORTS PERFORMANCE/GOALKEEPERS

REGENERATION & RECOVERY SESSIONS
Coupled with the Sports Performance Academy, Players will participate in a specifically designed regeneration session. In order to perform at the highest level, players will learn the importance of taking care of their body both before and after physical activity.

GOALKEEPERS
Goalkeepers will train in a highly competitive environment that will aim to develop every aspect of this specialized position. Karl Spratt and Jasir Charris have a wealth of experience working with professional, collegiate and academy goalkeepers, while also being able to deliver success and build self-confidence both on and off the field.

EDUCATIONAL CLASSROOM SESSION
Part of being a professional soccer player is working hard even when you are not on the soccer field. Players will participate in interactive classroom sessions that look to educate them on different aspects of the game such as Nutrition and Leadership.

ATHLETIC TRAINERS
Dean College head athletic trainer and Revolution Academy athletic trainer. Both athletic trainers will be on-site 24 hours a day for the duration of the 2017 Residential Academy. Players will have constant access to water and hydration drinks both at the fields and in the dorms, and should any player be suffering from injury or illness, both Athletic trainers will be able to help treat the situation immediately.
